**December 2024
Events and Updates**

December 4, 2024 at 7 p.m. on Zoom - Coalition of Kingston Communities Annual General Meeting

All members of CKC community groups, such as members of the FHF, are invited to the Coalition of Kingston Communities Annual General Meeting.

<https://queensu.zoom.us/j/97856489793?pwd=IkKEyOHdAVMAwFRPbC6wOIcPdaZp3Z.1>

The meeting will provide a chance for an open discussion among CKC participating groups about the challenges facing Kingston's

communities working with City Hall.

December 5, 2024 at 6 p.m. City Hall - Council Chambers

North King's Town Secondary Plan (NKT) - Community meeting

The final drafts of the land use (mobility, cultural heritage and servicing studies for NKT) will be presented at this community meeting. The purpose of the meeting is to seek feedback from the public and members of Planning Committee on the proposed Official Plan and Zoning By-Law Amendments before a formal application is filed with the City. Draft documents are available for review by accessing the [Development and Services Hub \(DASH\)](#) and searching for application D01-011-2024. From the FHF perspective it will be interesting to see what is noted for the Outer Station, in a continued derelict state, and to see the proposed enlarged boundaries for the St Lawrence Ward Heritage Character Area, which includes Colborne Street and extends north. Also, how tall will buildings be in the Montreal /John Counter, and at the Rideau and Montreal intersection.
