FRONTENAC HERITAGE FOUNDATION

Spring Foundation Issue

The spring edition of the Foundations will be released digitally in the next week so look to your emails for the announcement and the link! It is a wonderful

booklet of John Lynn Bell's retrospective of life from 1859-1920 of people and built heritage in our area. He gave a fascinating talk on January 25th and if you missed it, you will be entranced by his photos and commentary.

We are always looking for new articles for our Foundations booklet. If you have any ideas or have done research on items of heritage interest, please contact the FHF Board. Contact@frontenacheritage.ca
